No notary public may sign the application as an elector or
serve as a circulator of any application which he or she
notarized. Any sheets of an application for a recall petition that have the circulator's affidavit notarized by a notary public who also served as a circulator of one or more sheets of the application for a recall petition or who signed one (1) of the sheets of the petition as an elector shall be disqualified and rejected.

(b) Applications shall be issued by the board of election commissioners who shall assign a number to each application. The number shall appear on the face of each application. The board of election commissioners shall keep records of applications issued, including the date of issuance and number assigned. The board of election commissioners shall immediately notify in writing the public officer named for recall in the application that an application for a recall petition has been officially issued for circulation.

(c) The official application forms shall be printed by the Office of the Secretary of State in substantially the form prescribed in this subsection and distributed to boards of election commissioners.

(3) The number of official sponsors necessary to file an application for a recall petition must be equal in number to at least ten percent (10%) of the total number of qualified electors who voted at the last election in which the officer was elected.

(4) Sponsors of a recall petition, before causing the petition to be circulated, shall submit the application for the
petition to the board of election commissioners designated in
Section 2 of this act and request official recall petition forms.

(5) At any time before the date the board of election
commissioners receives the application for a recall petition, an
elector who has signed the application as an official sponsor may
request withdrawal of his or her signature from the application by
executing and filing an affidavit signed and sworn to before a
notary public which affirms the elector's intention to withdraw
his or her signature from the application. The official affidavit
of signature withdrawal shall be printed by the Office of the
Secretary of State and distributed to boards of election
commissioners. The form of the affidavit shall be substantially
as prescribed in Section 8 of this act.

(6) (a) No application for recall petition shall be
accepted for verification if more than fifteen (15) days have
elapsed since the application forms were issued to the sponsors.
If an application for a recall petition contains more than one (1)
sheet, the application, when offered for filing, shall be bound
together and each sheet shall be numbered consecutively at the
foot of each page beginning with page one (1).

(b) On receipt of the application, the board of
election commissioners shall file the application and proceed to
determine the legal sufficiency of the application and determine
if the signers are qualified electors eligible to sign the
application. The board of election commissioners is granted
unrestricted authority to examine the voter registration records maintained by the registrar, to receive evidence and testimony, and to require the personal appearance of any person signing the application for the purpose of making the determination. If the board of election commissioners finds that any signer is not a qualified elector eligible to sign the application, the signature shall not be counted in determining whether the application contains a sufficient number of signatures as required by law. The nullification of a signature on an application shall not affect the validity of other signatures contained in the application. The board of election commissioners shall certify the legal sufficiency or insufficiency of the application for a recall petition within five (5) days after receiving the application, excluding Saturdays, Sundays and legal holidays; however, the judge of the circuit court may, upon proper application and good cause shown, grant an additional period of time not to exceed fifteen (15) days for the board of election commissioners to verify the application. 

(c) The board of election commissioners shall immediately notify in writing the public officer named for recall in the application that a completed application for a recall petition has been filed with the board of election commissioners for verification.
(7) No application for a recall petition shall be amended, supplemented or returned after it has been filed with the board of election commissioners for verification.

(8) Upon certifying the legal sufficiency of the application, the board of election commissioners shall immediately officially file the certification of the application, issue official recall petition forms, assign a number to the recall petition, which number shall appear on the face of each petition form, and issue the number to the sponsors. A record of each application, including the date of its receipt and the number assigned and issued to the sponsors, shall be maintained by the board of election commissioners.

(9) The board of election commissioners shall immediately notify in writing the public officer named for recall in the application that a recall petition has been officially issued for circulation.

(10) The official recall petition forms shall be printed by the Office of the Secretary of State and distributed to the board of election commissioners.

SECTION 5. (1) Within four (4) days after the date of submission of the application for a recall petition for verification, excluding Saturdays, Sundays and legal holidays, the officer sought to be recalled may file a petition in the circuit court of the county in which the officer is domiciled applying for a review of the sufficiency of the ground or grounds for the
recall and the fact or facts upon which the ground or grounds are based as set forth in the recall application.

(2) The circuit court having jurisdiction of a case governed by this act shall be presided over by a circuit court judge selected as set out in this section.

(3) Upon the filing of a sufficiency review petition under this section, the clerk of the circuit court having jurisdiction shall immediately notify the Chief Justice of the Supreme Court of proceedings filed under this act.

(4) The Chief Justice of the Supreme Court shall select a senior judge, who is not a resident of the circuit wherein the proceeding was filed, to preside over the case.

(5) After a judge has agreed to preside over the case, the Chief Justice of the Supreme Court shall enter an order in the circuit court of the county where the proceeding was filed appointing the judge, and the judge shall promptly begin presiding over the proceedings in the court and shall determine same as soon as practicable.

(6) The review shall be limited solely to a review of the legal sufficiency of the recall ground or grounds and the legal sufficiency of the alleged fact or facts upon which such ground or grounds are based as set forth in the recall application. The review of the alleged fact or facts shall include a determination of whether probable cause exists to believe that the alleged fact or facts are true. The burden shall be on the petition
chairperson to prove that probable cause exists. The judge shall consider the review petitions on an expedited basis. Discovery shall be permitted but shall not delay the consideration of the review petition by the judge. The judge may enter such orders as the judge deems necessary and appropriate to expedite any discovery and the consideration of the review petition.

(7) During the pendency of the review by the circuit court, all other recall proceedings shall be suspended. If a ruling of sufficiency is rendered by the judge, then recall proceedings shall continue in the manner provided for in this act. The time for circulating a recall petition after the review of the sufficiency petition shall begin from the date of the order of the circuit court or the issuance of recall petition forms, whichever is later, notwithstanding the fact that recall petition forms were issued before the filing of the petition for review of the sufficiency of the recall application. Valid signatures obtained on a recall petition before the filing of a petition for review of the sufficiency of a recall application shall be counted. The officer sought to be recalled may file a discretionary appeal in the Supreme Court within ten (10) days after the date of an order finding a recall application sufficient, excluding Saturdays, Sundays and legal holidays, and the court shall consider the appeal on an expedited basis. The filing of the appeal shall not operate to stay the recall proceedings. If a ruling of insufficiency is rendered by the judge, then a discretionary
appeal may be filed in the Supreme Court within ten (10) days after the date of the ruling, excluding Saturdays, Sundays and legal holidays, and the court shall consider the appeal on an expedited basis.

SECTION 6. (1) The form of the recall petition shall be substantially as follows:

Any sheets of a recall petition that have the circulator's affidavit notarized by a notary public who also served as a circulator of one or more sheets of the recall petition or who signed one (1) of

SECTION 9. No county registrar or other person authorized by law to register electors and no person other than an elector of the electoral district of the officer sought to be recalled shall circulate a recall application or petition. No employee of the state shall circulate a recall application or petition. All signatures obtained by any unqualified person shall be void and shall not be counted in determining the legal sufficiency of the petition.

SECTION 10. (1) The board of election commissioners shall be responsible for determining the legal sufficiency of the recall petition within thirty (30) days after it has been filed with it;
however, in cases where more than one (1) recall petition is
subject to review for verification, the board of election
commissioners shall be responsible for determining the legal
sufficiency of any recall petition within forty-five (45) days
after it has been filed with it. The board of election
commissioners or a designee is granted unrestricted authority to
examine the registration records maintained by the county
registrar to receive evidence and testimony, and to require the
personal appearance of any person signing the recall petition for
the purpose of determining if the signers are qualified electors
eligible to sign the recall petition. If the board of election

(3) (a) No recall petition shall be amended, supplemented or returned after it has been filed with the board of election commissioners for verification.

(b) If a recall petition contains more than one (1) sheet, the recall petition shall, when offered for filing, be bound together and each sheet shall be numbered consecutively at the foot of each page beginning with page one.

(4) Within five (5) days, excluding Saturdays, Sundays and legal holidays, after the board of election commissioners has certified the legal sufficiency of a petition, it shall immediately notify the Governor or the appropriate official, who shall call the recall election as provided in Section 12 of this act.

(5) Upon certifying the legal sufficiency or insufficiency of a recall petition, the board of election commissioners shall immediately notify the petition chairperson and the officeholder
in writing of the results and officially file the certification of the petition.

**SECTION 11.** If an officeholder resigns before the recall election is held, no recall election shall be conducted.

**SECTION 12.** (1) Within ten (10) days after having received certification of the sufficiency of the recall petition by the board of election commissioners, a recall election shall be called and published, as provided in this section, and shall be conducted not less than thirty (30) days nor more than forty-five (45) days after the call; however, if a primary or general election is to be held not less than thirty (30) days nor more than forty-five (45) days after such call is issued, the recall election shall be conducted on that date.

(2) A recall election shall be called:

(c) By the governing authorities of a municipality, if for a municipal election commissioner.

(4) The official call for the election shall be published one (1) time as follows:

(a) In a newspaper of general circulation in the electoral district, if the election is for a state officer;

(b) In a newspaper of general circulation in the county, if the election is for a county officer; or

(c) In a newspaper of general circulation in the municipality, if the election is for a municipal officer.

(5) It shall be the duty of the appropriate officials authorized by law to conduct elections to hold and conduct the recall election and to declare and certify the results; however, if the person sought to be recalled is the official authorized by law to conduct elections, the clerk of the circuit court of the county in which the recall election is to be held shall hold and conduct the recall election and declare and certify the results.

The ballot for the recall election shall state the name and office of the person whose recall has been petitioned, and the ballot shall be in the form prescribed by law for state, county or municipal officers. The ballot shall have written or printed thereon the following:

(6) Those persons desiring to vote in favor of recall shall vote "Yes," and those persons desiring to vote against recall shall vote "No." If more than one-half (1/2) of the votes cast on the question are in favor of recall, the public office in question shall immediately become vacant. Otherwise, the public official named in the recall petition shall continue in office.

SECTION 13. (1) After a recall petition and election, no further recall petition shall be filed against the same officer until at least six (6) months have elapsed from the date of the previous recall election; and any other recall petitions against
that officer outstanding on the date of the recall election shall be void.

(2) If the board of election commissioners finds that a recall petition is insufficient and fails to verify the same, no further application for a recall petition shall be filed against the same officer until at least six (6) months have elapsed from the date of the denial of the recall petition; however, the finding of insufficiency shall not bar the verification of any other recall petition against that officer which is available for signature or pending verification at the time of such finding of insufficiency.

SECTION 14. All recall elections shall be conducted in the same manner as special elections.

SECTION 15. The State Board of Election Commissioners is authorized to promulgate such rules and regulations as are necessary to carry out this act.

SECTION 16. (1) If the board of election commissioners fails to comply with this act, any elector may apply, within ten (10) days after the refusal, to the circuit court for a writ of mandamus to compel the board of election commissioners to perform its official duties. If the court finds that the board of election commissioners has not complied with this act, the court shall issue an order for the board to comply.

(2) An action against the board of election commissioners shall be filed in the circuit court of the county of the board of
election commissioners, except that an action against the State
Board of Election Commissioners shall be filed in the Circuit
Court of Hinds County.

**SECTION 17.** An elector's eligibility to sign an application
for a recall petition or a petition for recall shall be determined
as of the date immediately preceding the date the application or

indirectly, induces or compels or attempts to induce or compel any
other person to sign or subscribe or to refrain from signing or
subscribing that person's name to a recall application or petition
or, after signing or subscribing that person's name, to have that
person's name taken therefrom shall be guilty of a misdemeanor.

(3) A person who signs any name other than his or her own to
a recall application or petition, except in a circumstance where
he or she signs for a person in the presence of and at the
specific request of the person who is incapable of signing that
person's own name, or who knowingly signs his or her name more
than once for the same recall application or petition or who
knowingly is not at the time of signing a qualified elector of the
electoral district of the officer sought to be recalled shall be guilty of a misdemeanor.

SECTION 20. This act shall take effect and be in force from and after July 1, 2017.
